STOP! DO NOT PROCEED

- No need to explain!
- No problem, we have a simple and easy solution!
- Step aside we will do it!

CAUTION! LOOK CAREFULLY

- This is how we do it in my country
- Sorry we can't afford that all the funds are needed for the experts
- Now here is something I think you should purchase

GO! FULL STEAM AHEAD

- How do you think we should approach this challenge?
- Let's ask local people I'm sure someone will have a good suggestion
- Let's try several approaches to this
