

Perkembangan Siswa Inklusi

In the end of academic year of 2004-2005 there was a child with visual impairment was worry to enroll in new school. He applied to Public lower secondary school 4 in Payakumbuh.

Anto: Assalamualaikum, Good morning, Sir I heard that this school can accept children with visual impairment to be enrolled, Is it right?

Hari: Yes, that is true

Anto: If it is so, can I apply to this school, Sir?

Hari : Yes of course ... however, you have to fulfil the requirement

Anto: Ok. sure

After that Anto was welcome to attend the classroom

Susan: Class, you have new friend as you can see him, your new friend has something different with you. I expect you can help him and don't treat differently with other. Now let Anto to introduce him self.

After Anto introduce himself, then there is one child ask question.

Salam: How does he learn madam?

Susan: Good question. The learning was is just the same with you. Only the writing tool is different with you. Anto, please show it to your classmates

Anto: yes madam.

After Anto showed his writing tool, all classmates of him wondered and came with questions.

Salam: Bu, why his writing tool is ruler? How to use it

Susan: Anto, please use it to write?

Anto: Yes, Madam

Afterwards there was one more question

Eka: Bu, a head master told us, that our school is inclusive school. What actually inclusion is?

Susan: Good question Eka. Who can answer, what inclusion is?

Rosa : I am madam

Susan: Yes.

Rosa: Inclusion is a school which could accept children with special needs

Susan: Who can give me a sample?

Unggul: (rise a hand)

Susan: yes tell us

Unggul: an example like our new classmate

Susan: What do you think ?

Salam : I am

Susan: Please describe

Salam: We are very pleased to accept Anto to be our classmate, due to we obtain new lesson: we can respect to each other.

Susan : Excellence, you are really smart. What do you expect with this inclusion.

Salam: (rise a hand)

Susan: Yes, ok

Salam: Our expectation is through inclusion program we can empower our brotherhood of Indonesia Nation.

Eka: Madam, can I ask question

Susan: What..?

Eka: Before Anto study here where did he study madam..?

Susan: In "Koto nan 4" Special school for the blind Payakumbuh West Sumatra. Anto tyou can sit now, with whom do you want to sit with?

Rosa: With Salam Madam...!

Susan : Ok...Now we can star our study

Murid: Ok sure Madam.
