

Abstract

Pesantren is a boarding school for Muslim of Indonesia. It is boarding school which separates girls and boys. Pesantren are mostly belonging to NU in Central Java. Pesantren is a school for a candidate Ulama (Muslim scholar).

They are not anti-modern education and science. Indonesian Muslims are adjusting to science and technology. Since 3 decades ago, some Pesantren taught blind students for reading Al Quran through "Braille Al Quran".

Inclusive education for persons with disability is in line with Pesantren service to accommodate persons with disability. It is obligatory even stated in Al Qur'an. Once the prophet Muhammad Peace Be Upon Him, was reminded by God, because he was not so happy by the attendance of a blind man. Many Ulama in Middle East were blind.

To teach the students with friendly and inclusive methods in Pesantren is possible to be implemented today, with the cooperation of Ministry of National Education and Ministry of Religious Affairs with the support of technology abroad.
